

Åndalsnes – Private Excursion – From Fjords to Trolls

From the meeting point the bus will take you through the beautiful area outside Åndalsnes, to the land of the trolls. Throughout this excursion our guide will share many interesting facts and fascinating stories with you.

First the bus will drive you to Sjøholt, a village which is especially known for the furniture industry. From Sjøholt, the road along the Storfjord will lead you via Stordal and its Rose Church (built in 1789) to Valldal, famous for its delicious strawberries.

The next stop will be at the breathtakingly beautiful Gudbrandsjuvet, a 5 m narrow and 20-25 m deep ravine. You can walk over a bridge from one side of the ravine to the other. From here the bus will drive through the National Park Reinheimen, to the Trollstigen plateau. Enjoy the amazing view over the Troll Road (Trollstigen), the mountains the King, Queen and Bishop, as well as the waterfall Stigfossen. When driving down the Troll Road, the driver will safely drive the bus through 11 hairpin bends. At the bottom of the Troll Road, there will be an extra photo stop from where you will be able to take the best pictures of the Stigfossen.

Next up is a visit to the Troll Wall / Trollveggen, Europe's tallest vertical rock face, and the impressive Romsdalshorn. After this stop, it is time to head back to Åndalsnes.
