BERGEN – Private – The 10-day Norwegian Highlights Experience

10 days / 9 nights Roundtrip: Bergen – Oslo – Ålesund – Bergen

Bergen, the start- and endpoint of this spectacular multi-day roundtrip, is Norway's second largest city. Known as "the Gateway to the Fjords", Bergen is famously situated between seven mountains at the end of the Byfjord. Home to the UNESCO-listed Hanseatic quarter of Bryggen, a world-renowned fish market and the Fløibanen funicular, this charming city is a cultural treasure box ready to be explored. Bergen is easily accessible for international travellers. Only 15 km from the international airport of Flesland, and with many renowned historical hotels in the city centre, Bergen is an ideal starting point for our 10-day Norwegian journey.

After exploring Bergen, we venture eastwards. Experience the world-famous Flåm railroad and drive across high mountain plateaus. Discover the vibrant capital of Oslo and the picturesque Olympic town of Lillehammer, before heading northwest to visit the beautiful Art Nouveau city of Ålesund. Finally, we follow the scenic coastal course back to Bergen. All along the route you will bask in the sight of beautiful fjords, idyllic villages and pristine nature.
