

Bergen - Private Excursion - The Ultimate Sightseeing

From the meeting point you will be taken on a fascinating guided sightseeing tour by bus through the beautiful center of Bergen, Norway's second largest city, famous for landmarks like the seven mountains surrounding the town and for being the birthplace of composer Edvard Grieg. As we drive, you'll see Bergen's most iconic sights, including the Art Nouveau theater "Den Nationale Scene", the medieval Håkonshallen fortress, the renowned fish market, and of course, the UNESCO-listed Hanseatic quarter of Bryggen. Throughout the tour our guide will share many interesting facts and fun anecdotes giving you an insider's view into this amazing city.

The bus will also take you on a short trip to the surroundings of the beautiful Fantoft Stave Church, for an exterior visit. This church has a long and surprising history which is well worth discovering.

After the bus part of the tour, which takes approximately two hours, our guide will take you on a guided walk to show you the ins and outs of UNESCO's Bryggen. Once you enter this labyrinthine and picturesque quarter, you will feel as if you've been transported back in time. An unforgettable experience and a must-do when visiting Bergen!

The tour ends with a visit to the top of Mount Fløyen, where you will also find a restaurant, gift shops and friendly troll statuettes. You will go there by funicular, lifting you high above the city center for yet another breathtaking view.
