

Olden – Private Excursion – The Majestic Geirangerfjord Experience

From the meeting point in Olden, the bus will take you along the Innvikfjord through the villages of Loen and Stryn to the beautiful lake of Oppstryn. The journey continues uphill and the landscape will rapidly change from a rural and picturesque countryside with many colourful farms to a rugged scenery with high mountains. The next stop will be at a beautiful waterfall, Øvstefossen. From a platform you will be able to take great pictures of this majestic and loud waterfall.

The excursion continues to Djupvatn, a lake situated at 1000 meters above sea level. From here our driver will safely drive you through several hairpin bends to the top of Mount Dalsnibba where, at 1500 meters above sea level, you can enjoy a spectacular view over UNESCO's Geirangerfjord. A gorgeous fjord, surrounded by green mountainsides with white peaks.

Next up is Flydalsjuvet, a dazzling gorge, followed by the infamous Eagle Road with its eleven hairpin bends and grazing goats on the steep sides. Enjoy the view over the fjord including the waterfall "the Seven Sisters" from the platform in the last bend, before it's time to head back to Olden.
